

Amanda Naor

Amanda Naor is honored to be back with MET2 as an Intern Staff Director. Her first show with MET2 was *Peter Pan* in 1994, at the young age of nine. She continued to perform throughout the years, eventually becoming an Associate Director in 1999. She has helped teach choreography and provided assistance to the directing staff for such shows as *Oliver!*, *Joseph and the Amazing Technicolor Dreamcoat*, *Annie*, and *Big River*. Amanda has proudly played Wendy in *Peter Pan*, Adapearle in *The Wiz*, and Patty Simcox in *Grease*.

In other areas of performing, Amanda was actively involved in her high school's Rmusic program at Rancho Bernardo High. She was member of the award-winning marching band's drumline, as well as playing orchestral percussion in the wind ensemble. Amanda also performed with the Esperanza Drum and Bugle Corps from San Diego, CA. In the summers of 2001 and 2002, Esperanza toured the country performing in dozens of tournaments. In 2002, the corps placed 6th in Division II World Championships in Madison, Wisconsin.

Amanda left MET2 for a short while, moving to Ventura, CA to pursue schooling at Brooks Institute of Photography. She recently moved back to San Diego and currently attends Palomar Community College. She hopes to transfer to California State University, Northridge to earn her Bachelor's Degree in Deaf Studies. She looks forward to receiving her interpreting license within the next few years, performing in deaf theater, and plans to teach deaf children how to sign.

Amanda is very excited to be back in her hometown, and most of all, back with her second home: MET2.
